DEFINITIONS AND SHEPARD RESPONSIBILITIES

The name "Shepard" shall be construed within the meaning of this contract as Shepard Exposition Services, Inc. and its employees, officers, agents, and assigns including any subcontractors Shepard may appoint. The term "exhibitor" refers to any party who contracts for services with Shepard. Shepard shall be responsible only for those services which it directly provides, and hereby agrees to execute its contracted duties in good faith. Shepard assumes no responsibility for any person, parties, or other contracting firms not under Shepard's direct supervision and control. Shepard shall not be responsible for loss, delay or damage due to strikes, lockouts, work stoppages, natural elements, vandalism, acts of God, civil disturbances, power failures, acts of terrorism or war, or any other causes beyond Shepard's reasonable control; or for ordinary wear and tear in the handling of materials. Due to the security and liability requirements, Shepard personnel will unload all vendor materials from the loading docks to the booths.

INDEMNIFICATION

The exhibitor agrees to indemnify, forever hold harmless and defend Shepard and its employees, officers and agents from and against any and all claims, causes of action, fines, penalties, damages, liabilities, judgments, and expenses on account of personal injury or death, damage to or loss of property or profits arising out of, or contributed to by any of the following: (1) exhibitor's negligent supervision of any labor secured through Shepard or the negligent supervision of such labor by any of the exhibitor's employees, agents, representative, invitees, and/or exhibitor appointed contractor (EAC); (2) exhibitor's negligence, willful misconduct, or deliberate act, or such actions of exhibitor's employees, agents, invitees, representatives, or EACs at the show to which this contract relates, including but not limited to the misuse, improper use, unauthorized alteration or negligent handling of Shepard equipment; or (3) exhibitor's violation of Federal, State or Local ordinance; or violation of show regulations and/or rules as published by the Facility and/or Show Management.

CLAIM(S) FOR LOSS AND PAYMENT FOR SERVICES

Exhibitor agrees that any and all claims for loss or damage shall be submitted to Shepard prior to the conclusion of the show when alleged loss or damage occurred prior to that time, and in all cases within 30 days of the conclusion of the show. For claim reporting purposes, the "conclusion" of the show shall be construed as the end of the day on which exhibitor must vacate the show site. All claims reported after the 30-day period will be rejected. In no event shall a suit or action be brought against Shepard more than one year after the date that loss or damage occurred. Payment for services may not be withheld. In the event of any dispute between Shepard and the exhibitor relative to any loss or damage claim, the exhibitor shall not be entitled to, and shall not withhold payment for Shepard services as an offset against the amount of the alleged loss or damage. Any claim against Shepard shall be considered a separate transaction and shall be resolved on its own merit.

SHEPARD'S LIMITS OF LIABILITY

If found liable for any loss or damage, Shepard's sole and maximum liability for loss or damage to exhibitor's materials will be limited to the repair or replacement with like kind and quantity, subject to a dollar amount not to exceed \$5.00 (five dollars) per pound based on the weight of the articles for which Shepard specifically acknowledges receipt in writing. Shepard shall in no event be liable for collateral, exemplary, indirect costs or damages, or loss of sales resulting from, or related to, a claim for loss of or damage to material.

INBOUND AND OUTBOUND SHIPMENTS

Consistent with trade show industry practices, there may be a lapse of time between the delivery of shipment(s) to the booth and the arrival of the exhibitor or his representative. During such time, the materials will be left unattended. Shepard is not, and cannot be, responsible for loss, damage, theft, or disappearances of exhibitor's materials after same have been delivered to the exhibitor's booth. Similarly, there may be a lapse of time between the completion of packing and the actual pick up of exhibitor's materials from the booth for loading onto a carrier. During such time, the materials will be left unattended. Shepard shall not be responsible for loss, damage, theft, or disappearance of exhibitor's materials before same have been picked up for loading after the show. All materials will be checked at the booth at the time of loading using document(s) submitted by the exhibitor and notations of exceptions to conditions of materials, or piece counts will be made on said document. Shepard assumes no responsibility for loss, damage, theft, or disappearance of exhibitor's materials after same have been delivered to exhibitor's appointed carrier or agent for transportation after the show. Shepard loads materials onto the carrier's truck under the supervision of the carrier driver who checks and signs for the materials. Shepard assumes no liability for any materials after the carrier assumes custody of materials. If exhibitor's designated carrier fails to show by the move out deadline after a show, Shepard shall have the authority to route exhibitor's shipment via an alternate carrier, or return shipment to a local warehouse for disposition at exhibitor's expense.

PACKAGING, CRATES, AND EMPTY CONTAINERS

Shepard shall not be responsible for surface damage to loose or uncrated materials, pad-wrapped, or shrink-wrapped materials. Shepard shall not be responsible for concealed damage, damage to carpets in bags or poly, or damage to materials improperly packed. Shepard shall not be responsible for crates and packaging unsuitable for handling, partially assembled, or having prior damage. Affixing "Empty" storage labels to containers is the sole responsibility of the exhibitor or his representative. All previous labels should be removed. Shepard assumes no responsibility for removal or misdelivery of containers with old labels or incorrect information on labels or for loss or damage to materials stored in containers labeled "empty."

MATERIAL HANDLING INFORMATION & ADDITIONAL CHARGES

<u>SPECIAL HANDLING</u>	Rate as shown on Material Handling Authorization Form	35301
<p>The standard material handling applies to shipments that can be readily handled off or onto a truck using a conventional forklift or pallet jack equipment without rehandling. A special handling charge applies if your shipment requires extra labor for stacking or unstacking containers on a truck (cubic loading), tarping or untarping freight or containers, or rigging pieces for loading or unloading on a truck or from the ground, or other circumstances requiring the rehandling of materials.</p>		
<u>OVERTIME</u>	Surcharge: 30%	35301
<p>Based on show move-in/move-out schedule and/or late driver check-in, an overtime surcharge per occurrence applies to shipments handled at show site during overtime hours. Your advance warehouse shipments may be received during straight time, but due to scheduling conflicts beyond Shepard's control may be moved into the exhibit hall on overtime. Any additional overtime charges will be invoiced at show site and are subject to change pending move-in/move-out schedules. Handling times will be documented on shipping documents. Drivers picking up outbound shipments will be sequenced for loading ONLY after a bill of lading is submitted to the Shepard Service Desk AND the driver has checked in.</p>		
<u>LATE SHIPMENTS</u>	Surcharge: 25%	35003
<p>A surcharge will apply to shipments not arriving within the published dates (refer to Show Information page for dates) for advance warehouse or arriving on show site after show opening.</p>		
<u>UNCRATED SHIPMENTS</u>	Rate as shown on Material Handling Authorization Form	35004
<p>An additional charge of 50% (or as stated on Material Handling Authorization page) of the applicable material handling charge at the time of delivery shall be charged for all loose, uncrated, or unprotected shipments received at the show site docks. The charge is a one-time charge that includes both move-in and move-out of the show, and is based on the weight of the shipment handled.</p>		
<u>OFF-TARGET DELIVERIES</u>	Surcharge: 15%	35004
<p>For targeted shows (exhibitors who received/requested a Targeted Date/Time), a surcharge will apply if shipment is not delivered (or carrier has not checked in) during assigned target date/time.</p>		
<u>PADDED VAN DELIVERIES</u>	Surcharge: \$8.00/CWT	35041
<p>A padded van surcharge applies to van line carriers that transport freight at cubic displacement rates, operate a non-standard dock height equipment, require freight on the truck to be unloaded in a specific order or orientation, or require that freight on the truck be moved to unload the actual delivery.</p>		
<u>MARSHALING YARD</u>	Surcharge: Maximum \$25.00	35250
<p>Where Shepard Exposition Services as the show contractor must lease space for marshaling yard operations because no space is provided by the facility, Shepard may charge a fee per shipment processed through the marshaling yard.</p>		
<u>REWEIGH OF SHIPMENTS</u>	Surcharge: \$25.00 per forklift load	35282
<p>An additional charge per forklift load will be applied to shipments that have to be reweighed at the dock due to the lack of a certified weight ticket, or an incorrect or understated weight on a delivery document.</p>		
<u>EMPTY CRATE STORAGE</u>	Surcharge: \$10.00 per piece, Minimum \$40.00	35105
<p>A charge per crate, carton or skid applies when Shepard handles the storage and return of empties from a shipment not received by Shepard and therefore not subject to material handling charges.</p>		
<u>ENVELOPE DELIVERIES</u>	Surcharge: \$10.50 per envelope	35007

MATERIAL HANDLING Q&A

What is material handling (also referred to as drayage)?

Material handling is the process of unloading your freight from your shipping carrier, either at the warehouse or show site, delivering it to your booth, storing your empty containers (empties) if required, returning of your empties at the close of show, and then reloading your freight back onto your shipping carrier.

What is the definition of "freight"?

Any exhibit materials that are shipped or delivered to the advance warehouse or show facility via shipping carrier, POV, or delivery truck.

What is a "certified weight ticket"?

A printed weight ticket from a scale certified or inspected by a government authority such as the Dept. of Agriculture, indicating the date weighed, the weight of the shipment and the vehicle ID of the unit being weighed.

IMPORTANT FACTS ABOUT ADVANCE SHIPMENTS

What are advance shipments?

All shipments that are addressed to the advance warehouse address (please refer to "Advance Warehouse" shipping labels included in this manual).

Shepard will begin accepting your shipments 30 days prior to first show open day (date may vary depending on show schedule).

The warehouse will receive shipments Monday-Friday, 8:00am - 4:00pm, excluding holidays.

Shipments must arrive by advance warehouse deadline date to avoid a late surcharge. (Please refer to the "Show Information" page included with this manual for deadline date.)

Crates, cartons, skids, fibercases, and carpets can be accepted at the warehouse, but DO NOT ship crates weighing over 5,000 lbs., loose/uncrated shipments and/or machinery to warehouse. You must ship those items direct to show site.

All shipments must have a bill of lading or delivery slip indicating number of pieces and weight. **Certified weight tickets required.**

All shipments must be prepaid, no collect on delivery shipments will be accepted.

MATERIAL HANDLING CHARGES

What determines how much I'm charged?

Charges are based off the weight from your inbound weight ticket included with your shipment.

How do I calculate material handling charges?

Material handling services, whether used completely, or in part, are offered as a package. When recording weight, round up to the next 100 lbs. For example: 285 lbs. = 300 lbs./100 lbs. = 3 X RATE = \$ Amount or minimum charge, whichever is greater.

Will there be any additional charges?

Additional charges may apply. Please review the Material Handling Authorization and Material Handling Additional Services forms included in the manual for all applicable fees.

SPECIALIZED CARRIER (SMALL CARTON CARRIER)

What are specialized carrier shipments?

Shipments that arrive via small package carrier such as FedEx Express Service, UPS small package service or DHL small package service **AND** do not have a **certified weight ticket** included with shipment. This applies to packages weighing under 50 lbs.

How do I calculate my specialized carrier shipment?

Charges for specialized carrier shipments are based on per carton, per delivery.

Example: I'm shipping 3 packages via FedEx, how much will I be charged?

3 x per carton rate = \$ amount charged (plus any additional fees that may apply)

Please be advised that your whole shipment may not arrive to its destination at one time. Therefore you may be charged per each delivery, and minimum charges may apply.

CRATED~UNCRATED~SPECIAL HANDLING

What are CRATED materials?

Materials delivered that are skidded or in a container that can easily be unloaded/reloaded with no special handling required.

What are UNCRATED materials?

Materials delivered that are loose, pad-wrapped or unskidded without proper lifting bars and/or hooks.

What is SPECIAL HANDLING?

Shipments delivered that require extra labor for stacking or unstacking containers on a truck (cubic loading), tarping or untarping freight or containers, or rigging pieces for loading or unloading on a truck or from the ground, or other circumstances requiring the rehandling of materials.

What is the difference between material handling and shipping?

Shipping is the process of carrying your shipment from your location, pick-up area to it's destination and also the process of returning your shipment back to your location after the close of the show. **Material handling** begins at the time your shipment arrives to the docks (please refer to "What is material handling?" for the full definition.)

Do I need to order a fork lift to unload or reload my freight?

No, please do not order a forklift for unloading/reloading of your materials.

What does CWT mean?

CWT is an acronym for Century Weight, therefore it means per 100 lbs.

IMPORTANT FACTS ABOUT DIRECT SHIPMENTS

What are direct shipments?

All shipments that are addressed directly to the exhibit facility (please refer to "Direct to Show" shipping labels included in this manual).

Shipments must arrive during exhibitor move-in times only. Do not ship direct to show site in advance. If delivery cannot be guaranteed to arrive during exhibitor move-in, shipment must go to advance warehouse.

All shipments must have a bill of lading or delivery slip indicating number of pieces and weight. **Certified weight tickets required.**

Crates weighing over 5,000 lbs. or loose/uncrated shipments must be shipped direct to show site to arrive during exhibitor move-in times.

All shipments must be prepaid, no collect on delivery shipments will be accepted.

SIGNATURE SERIES SHIPPING

How can I make shipping my show materials easier?

Signature Series Shipping will make it easier, and here's why:

- ~ Receive a 10% discount off of material handling rates (restrictions apply).
- ~ Worry-free shipping to and from your show.
- ~ Priority Empty Service - priority of empty return at the close of show
- ~ Volume discounted shipping rates
- ~ Charges will be billed to your show invoice-one less invoice/bill to keep track of.
- ~ No driver wait fees.

LIABILITY INSURANCE

What is and why would I need liability insurance?

Accidents happen, therefore, most show organizers and facilities require liability insurance. Please refer to your booth contract for exact minimums required.

Please make sure your materials are covered from the moment they leave your company location to the time they return after the close of the show.

If applicable, included in your manual is information and an application for liability insurance and booth coverage can also be purchased to protect your valuable exhibit materials.

OUTBOUND SHIPMENTS

You must complete a Shepard Material Handling Agreement (MHA) for all outbound shipments. A MHA will be distributed at show site if all services have been paid in full, or you can request one at the customer service desk.

Upon completion of packing and labeling of your materials, complete the bill of lading with all required information, and return to customer service. If you have questions on how to complete your bill of lading, please ask a Shepard customer service representative located at the customer service desk.

If you are NOT using the designated shipping carrier, you must call your carrier with pick-up information. If your carrier fails to pick up your shipment, Shepard will either reroute your freight through the carrier of our choice or return to the local warehouse (whichever is indicated on your MHA).
